

Kindergarten Drop-Off and Pick-Up Procedures

The school has implemented a safe and effective drop-off and pick-up procedure for your children. Safety is always the number one priority in the parking lot!

Morning drop-off:

Any family dropping off a kindergartener may use Door #5 in front of the Activity Center. All students in the carpool may enter the school at these doors. Enter the parking lot at the Auburn Road entrance and immediately turn right. Drop off your children then proceed straight to exit onto Wallen Road. Faculty will be at these doors to assist in getting the children out of the cars.

Afternoon pick-up:

Kindergarteners who do not have older siblings will be dismissed beginning at 2:20 at Door #5 in front of the Activity Center. Enter the parking lot at the Auburn Road entrance, turn left and follow the parking lane nearest the cemetery around down the middle of the parking lot (see map). Please do not block the parking lane nearest the school. Teachers will assist the students into the cars. You must have the colored paper with your child's name on it in your windshield. Proceed straight to exit onto Wallen Road.

Kindergarteners with older siblings will be brought out to the sidewalk between Door #9 and Door #7 by 2:40. Parents must walk up to the sidewalk and present a card with the child's name on it to pick up their child. Older siblings will NOT be allowed to pick up the child.

Late Line:

*If you arrive after 2:40 to pick up your kindergartener, proceed to the late line, but **DO NOT** get out of your car to retrieve your child. He/She will be taken to Door #9 with their teacher, and when the late line proceeds up to the sidewalk, your child will be there waiting for you. **For safety reasons, it is important that we do not have parents or children walking through the late line at any time.***
